# *Overview*

## **Introduction**

Decatur Morgan Hospital Reference Laboratory is committed to providing our clients with accurate, timely, and cost-effective laboratory testing. We are accredited by the College of American Pathologists (CAP) and the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). We have a staff of technologists who are among the most experienced in the area. Our well-trained, compassionate phlebotomists put forth extra effort to make the experience of blood collection less traumatic for children and apprehensive adults. Cytology and pathology specimens are processed, read, and reported by highly qualified, thorough personnel. Our in-house pathologists are Board certified by the American Board of Pathology in both anatomic and clinical pathology and are available for consultation and review of difficult cases.

Most tests not performed at Decatur Morgan Hospital Reference Laboratory are referred to either Huntsville Hospital or Mayo Medical Laboratories. All tests that are performed at Decatur Morgan Hospital Reference Laboratory, Huntsville Hospital, or Mayo Medical Laboratories are included in this test catalog.

## **Mission Statement**

Decatur Morgan Hospital Reference Laboratory is committed to meeting the health and wellness needs of those we serve through compassionate care, innovation, and medical excellence. This commitment is supported by service, technology, and a dedication to continuous quality improvement.
